

May 2019

Dear Sponsor,

The 22nd Annual CajunMan Triathlon held last year was a huge success. The CajunMan Triathlon remains one of the largest triathlons in South Louisiana as we attracted approximately 300 participants (and over 400 spectators) from seven different states in 2018. This success was primarily due to the outstanding volunteer effort and local sponsors.

The 2019 CajunMan Triathlon, will be held Sunday, September 8th, at Airport Lake (Lafayette, LA), will again be a first-class event that all of Acadiana will be proud of. In the undertaking of such a major task, the livelihood of such an event will again depend heavily upon volunteers and sponsors. The latter is of course why we need your support. Sponsor money and/or product will be needed to assure a quality race in which the Lafayette community can be proud of. We have developed three Sponsor packets from which you can choose:

A majority of the proceeds are donated to Local Charities, Youth Running Organizations, Triathlon Clubs, Bike Clubs, etc. If you have any questions, please do not hesitate to call.

Sincerely,
